KR 10

KISAN

High speed bulk cash recycling solution

Automating cash handling at the point of sale, the KR10 cash recycler reduce pressure on your cashiers that handle cash at the cash counter while allowing them to better engage with your customers.

The KR10 will help you curb loss due to shrinkage by preventing the risks of human error and potential theft.

FEATURES

The ergonomic design of the KR 10 has been carefully considered to provide maximum comfort and usability, while also providing customers with the small physical footprint possible.
